PROFESSIONAL SUMMARY

Content and product marketing specialist with an MA in English (media focus), specializing in making complex, technical topics across fintech, AI, and web3 clear and compelling for sophisticated audiences. Proven expertise in building editorial operations from scratch and growing communities at speed, including one from zero to 12K+ members that drove over $1M in volume for a digital collectibles project. Seeking to leverage editorial, SEO, and AI content-workflow skills to support content and brand growth.

PROFESSIONAL EXPERIENCE

Researchpreneurs **Berlin, Germany**

- *Content Specialist (Freelance)* March 2026 - June 2026
  - Rebuilt the website content architecture from scratch, managed the CMS, and ran landing page experiments that lifted conversion by ~30%.
  - Built AI content-production workflows and ran the company's LinkedIn and X channels, reporting directly to the CEO.

AFEL (Digital collectibles project) **Berlin, Germany**

- *Content Manager (Freelance)* July 2025 - January 2026
  - Led content strategy across social copy, artist management, and community messaging on Discord, X, and LinkedIn.
  - Grew the community from 0 to 12,000+ members in six months, driving $300K in primary sales and $1M+ in secondary trading volume.

Merkezsiz (Media Outlet) **Istanbul, Turkey**

- *Editor & Content Lead* August 2023 – March 2024
  - Built the editorial structure from scratch for a web3 media outlet, wrote the weekly newsletter and grew subscribers past 1,000 in under six months, and edited and directed 10+ contributors while managing the outlet's LinkedIn and X presence.
  - Organized international technology summits with 500+ participants.

Hardal **Istanbul, Turkey**

- *Product Marketing Associate* Nov 2022 - Jul 2023
  - Created marketing content, landing pages, SEO, and social content for LinkedIn and X for an analytics platform, growing organic traffic by ~50% over the period.
  - Developed content briefs aligning product, design, and marketing teams, focused on retention and conversion through keyword strategy and performance analysis.

EDUCATION
